Subject: MEDIA INQUIRY: Pebble Watch, state 404 primacy

Who took the call/e-mail: Hanady Kader

Date and Time: 1/15/14

Deadline: ASAP

Media Outlet: Pebble Watch

Reporter (include phone number and/or e-mail): Mariah Oxford, moxford@bristol-companies.com

Topic: You may be aware that the state of Alaska passed Senate Bill 27 last session, which looks at taking over wetlands 404 primacy from the EPA. If the state were to do that, would it affect the EPA's authority to pursue a 404(c) action if it decided to do so?

Action/Outcome: No answer to this in FAQs, to my knowledge. Can Rick, Sheila, or Palmer take a crack?

Status: (Open/Closed/Pending): Open
